Dear Sir:

Applicants submit this Response in reply to the Office Action dated January 23, 2008 concerning an election of species the Examiner found to be not fully responsive. The reply filed on November 15, 2007 was deemed not fully responsive as: (a) it appeared to contradict a previous election; (b) a clear selection of species and claims readable thereupon; and (b) a drawings in compliance with objections. This response is timely because it is being filed within the one month allowable response period.
